

Prepare for Your **All-on-4** **Dental Implants Trip to** **Turkey**

Documents and Visa Requirements

- Valid passport or travel document.
- Check visa requirements at the official Republic of Turkey Electronic Visa Application System (<https://www.evisa.gov.tr/en/>) or through their consulate based on your nationality.
- Medical history records and any previous dental records.
- Clinics in Turkey may offer diagnostic tests like panoramic X-rays or volumetric tomography if needed.

Accommodation Options

Clinics may offer stays in partner 4* or 5* hotels, sometimes included in the treatment package. For self-booking, the average hotel stay per night may range from \$50 to \$150. Confirm with your clinic if accommodation is included.

Transfer Services

- Many clinics provide free airport transfers. Confirm the details with your clinic.
- Popular taxi services include BiTaksi and iTaksi with fares starting around 2 TRY per kilometer.

Interpreter Services

Clinics in Turkey often provide free language assistance for international patients. Confirm the availability of interpreter services with your clinic.

Payment Methods

- Cash and credit/debit card payments are commonly accepted.
- The local currency is the Turkish Lira (TRY), and having local cash is recommended for smaller expenses.
- Many places may accept payment in USD or EUR, but it is advisable to exchange some currency to TRY.

Pre-Op All-on-4 Dental Implants Tips

- Refrain from smoking and alcohol at least a week before the procedure.
- Discuss any medications you're taking with your dentist as some may need to be paused.
- Maintain good oral hygiene but avoid aggressive brushing on the day of surgery.
- Eat a healthy meal as you will need to fast for a few hours before anesthesia.
- Arrange for someone to accompany you on the day of surgery if possible.
- Wear comfortable clothing and avoid makeup or jewelry on the day of the procedure.
- Plan for adequate rest post-surgery and arrange work or social obligations accordingly.
