

Prepare for Your Breast cancer Treatment in Spain

Documents and Visa Requirements

- Passport valid for at least six months beyond your stay.
- European Health Insurance Card (EHIC) if applicable.
- Travel insurance with adequate health coverage.
- Check visa requirements based on your country of origin at the official website of the Spanish Ministry of Foreign Affairs.
- Necessary medical documents include a referral from your doctor, medical history, and any previous mammograms or biopsies.
- Spanish clinics offer diagnostics and tests if certain medical documents are unavailable.

Accommodation Options

Accommodation is not included in the treatment package. Patients can choose from hospital stays, partner hotels with discounts, or self-booking options. The average hotel stay per night is around €100-€200. Arrangements can be made for accompanying persons with conditions varying depending on the hotel's policy.

Transfer Services

- Clinics may offer free or paid airport transfers. Confirm with the clinic beforehand.
- Popular taxi services include Taxi Barcelona and Taxi Madrid with approximate prices ranging from €30 to €100 depending on the distance.

Interpreter Services

Interpreter services are available and may be included in the treatment package or provided at an additional cost. Confirm with the clinic.

Payment Methods

- Payments can be made using cash or card.
- The local currency is the Euro (€), and it is advisable to have some on hand for minor expenses.
- Major establishments often accept payment in euros or dollars, but local cash is recommended for comfort.

Before Your Breast cancer Treatment

- Follow any pre-treatment instructions provided by your doctor, such as fasting or medication adjustments.
- Bring comfortable clothing and personal items for your hospital stay.
- Make copies of all important documents and keep them in a safe place.
- Stay hydrated and maintain a healthy diet before the treatment.
- Discuss any concerns or questions with your medical coordinator.
- Ensure you have a support system in place for your post-treatment recovery period.
- Prepare your home for your return to facilitate a comfortable and safe recovery environment.
- Remember that all postoperative instructions will be given by your Breast cancer treatment doctor.
