

Prepare for Your Orthognathic Surgery Trip to Turkey

Documents and Visa Requirements

- Valid passport or travel document.
- Return ticket, hotel reservation, and at least \$50 per each day of stay.
- Check visa requirements and apply at [e-Visa Turkey](#) or Turkish diplomatic missions based on your country.
- Medical records related to your condition, X-rays, and dental casts.
- Clinics in Turkey may provide diagnostics and tests if certain documents are missing.

Accommodation Options

Clinics typically offer accommodation in partner hotels or assist with booking. Hospital stays are included for the duration of the surgery. The average hotel stay per night is approximately \$50-\$150, depending on the hotel's class and location. Some packages include stays in 4* or 5* hotels and might be free of charge as part of the medical package.

Transfer Services

- Clinics may offer free VIP transfers from the airport to the clinic/hotel. Regular transfers might also be available.
- Popular taxi services like BiTaksi and iTaksi operate in major cities; approximate cost is \$0.50-\$1 per km.

Interpreter Services

Interpreter services are often available through the clinic, sometimes at no additional cost. Confirm with your clinic before arrival.

Payment Methods

- Cash and card payments are commonly accepted.
- Local currency (Turkish Lira) is needed for smaller expenses; ATMs are widely available.
- Dollars or euros may be accepted by the clinic, but it's advisable to have local currency for other expenses.

Pre-Op Orthognathic Surgery Tips

- Consult with your surgeon about medications, fasting, and pre-op care.
- Arrange for post-op care and assistance at your accommodation.
- Follow dietary restrictions and guidelines provided by the surgeon.
- Prepare comfortable, loose-fitting clothing for post-op recovery.
- Bring all necessary personal medical devices (retainers, splints).
- Inform your surgeon of any allergies or medical conditions.
- Plan for adequate recovery time in Turkey before returning home.
